

2014 Agpt Applicant Guide Beyond Medical

2014 Agpt Applicant Guide Beyond

Medical education in Australia includes the educational activities involved in the initial and ongoing training of Medical Practitioners (medical doctors). In Australia, medical education begins in Medical School; upon graduation it is followed by a period of pre-vocational training including Internship and Residency; thereafter, enrolment into a specialist-vocational training program as a ...

Medical education in Australia - Wikipedia

This project aimed to implement an efficient and effective way to capture patient feedback after attending an Urgent Care Centre (UCC). The project is part of a larger innovation project involving four rural health services in North Central Victoria.
