Bend over, boyfriend... you'll love it! Pegging is a sexual practice in which a woman penetrates a man's anus with a strap-on dildo in a harness or using one of the new harnessless double dildoes (like the Share or RealDoe). The neologism "pegging" was popularized when it became the winning entry in a contest in Dan Savage's Savage Love sex advice column, that he held after observing that ...

This is a list of Latin words with derivatives in English (and other modern languages).. Ancient orthography did not distinguish between i and j or between u and v. Many modern works distinguish u from v but not i from j. In this article, both distinctions are shown as they are helpful when tracing the origin of English words.
