Since the 2012 version of our buying guide, a couple of big-picture things have changed. Windows 8 (recently updated to Windows 8.1) is now the default operating system, and its tile-based interface means that touch screens are now standard in nearly every new laptop. And, after years of few if any Windows tablets, the Win 8 era has given us dozens of them, and many are not just basic slates ...

Laptop buying guide from Cnet
