One thing blogging and good copywriting share is a conversational style, and that means it's fine to fracture the occasional rule of proper grammar in order to communicate effectively. Both bloggers and copywriters routinely end sentences with prepositions, dangle a modifier in a purely technical sense, or make liberal use of the ellipsis when an EM dash is the correct choice—all in order ...

Hi Dhananjay. Thank you for taking the time to comment. I am glad you like the article. In response to your concern about the word Asian in the context of the heart chakra and "The Asians say that this is the house of the soul." I totally agree that Yoga originated in India, and at the beginning of the article it clearly stated that "The word 'chakra' is derived from the sanskrit ...
