Executive Summary. The Tax Foundation's State Business Tax Climate Index enables business

leaders, government policymakers, and taxpayers to gauge how their states' tax systems compare. While there are many ways to show how much is collected in taxes by state governments, the Index is designed to show how well states structure their tax systems and provides a road map for improvement.

Overall, and as was explored in detail in the 2015 edition of this Report, the digital divide is still wide, yet progress is being made. In particular, several initiatives have been formed to tackle this gap, including the World Economic Forum's Internet for All initiative, which aims to help connect the 4 billion people who are not yet online (see Box 5).
