Hardware Handover Document

AssaiCLOUD. Assai is available as a cloud service. Running Assai in the cloud will take away all the worries and burden of hardware and software maintenance.

Installation Options - Assai Document management & control

(Page 1) Project management can be a messy, complex issue for all involved parties and, likely, the most hair-raising aspect of all is project handover from the EPC (engineering, procurement, construction) contractor to the chemical processor. In the past, this literally involved a truck pulling up with cartons and boxes chock full of engineering documents, drawings, operations manuals and ...

Management is a very broad discipline, and a subject that cannot be avoided by anyone engaged in business. It is one of the essentials that must be present if an organization hopes to achieve its goals. One of the basic rules of management involves the recruitment, hiring, training and retaining of the right people as members of the organization.

How to Define Roles, Responsibilities and Handovers

You can't delete an Aconex account that you no longer use. We need to keep your past accounts intact to maintain the audit trail for all the projects you've worked on.
