Hexed Detective: A Three-Book Collection: An Uncanny ...

Wizards are being murdered. Picked off and torn to shreds. It's up to a hexed detective to crack the case. Detective Rita Hobbes has been cursed; erased from everyday reality and cast adrift in a world of magic and monsters. To the workaday world, Rita is a forgotten memory, which raises the question, what will she do with the rest of her ...

Prolific Works - Uncanny Kingdom

Hey there, Insiders! I like spooky stuff. If you've read any of my books, from Apocalypse Hill, to The Identical Boy, to parts of Hexed Detective, you'll know I like dipping my toe (or my whole foot, ankle, and leg) into creepy. (By the way, Hexed Detective is just 0.99 for the next few days, so [CLICK HERE...](#))

Happy Halloween - Uncanny Kingdom

Broke, almost homeless, and recently fired. Those are my official reasons for answering a wanted ad for a skeevy-looking bartender gig. It went downhill the moment they asked me to do a trial shift instead of an interview - to see if I'd mesh with their "special" clientele.

The Uncanny Kingdom moves us to Blackpool where Detective Rita Hobbes is about to take a dark journey down the rabbit hole. Dark and twisted, funny too, familiar yet oh so very different. The UK is awesome. flag Like · see review

Hexed Detective (Hexed Detective #1) by M.V. Stott

In a world of elves and dwarves and sprites and mages, Tane Carver is a human with no gift but his wits. Which, to be fair, did get him into the world's most prestigious university of magical technology.
