Turnitin solutions promote academic integrity, streamline grading and feedback, deter plagiarism, and improve student outcomes.

Turnitin - Promote Academic Integrity | Improve Student ...

Positive feedback is a process that occurs in a feedback loop in which the effects of a small disturbance on a system include an increase in the magnitude of the perturbation. That is, A produces more of B which in turn produces more of A. In contrast, a system in which the results of a change act to reduce or counteract it has negative feedback. Both concepts play an important role
