The guide also includes information about resources of Family and Consumer Sciences (FACS) Extension that can help parents and their growing family over time.

The Guide for New Parents - fcs.uga.edu

This reply was created from a merged topic originally titled The new Parents Guide is terrible. For some reason, IMDb has decided to completely change the layout on the Parents Guide that literally no one complained about. Adding each item individually is a pain. Sending an email every time I edit a Parents Guide is going to clutter my inbox.
